

FOR IMMEDIATE RELEASE

San Diego, CA – June 20, 2014 – **e² (squared) media network** – The network is celebrating its one year anniversary and is expanding its impact and reach this year. The network has added two podcasters this quarter, for a total of 20 different podcasters / organizations from 9 states throughout the United States. The network has teamed with Patheos.com to create a new Blog presence on this large established distribution channel. We are consistently releasing new (FREE) content each week and month. View these FREE valuable resources at www.e2medianetwork.com.

One Year Milestone – The network is celebrating its first year anniversary and is going strong! There are now about 600 podcasts and 80 videos available through the website and a total of 20 different podcasters / organizations from 9 states throughout the United States.

New Podcasters – We have two new podcasters this quarter:

- Stand-up comic [Ross Bennett](#) from New York hosts a faith friendly podcast featuring interviews with special guests from across the spectrum of music, comedy, and entertainment.
- Missionary and Pastor Ray Schmautz from Colorado hosts podcasts focusing on Bible Studies for families, couples, and singles and various Christian growth topics.

Patheos.com Blog – This new [blog](#) gives the network new wider reach and presence on the Patheos.com distribution channel, to both non-Christian and Christian audiences.

New Releases – The network is releasing about 10 new podcasts per week and 10 new videos per month of FREE high value, high quality equipping and edifying content.
